

# Things I See In The Community

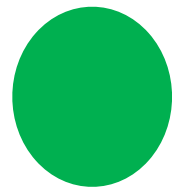

# Traffic Lights

Red means stop.

Yellow means slow down.

Green means go.

When I see a stop sign I stop my body.

# Crossing Streets

Look both ways and always hold hands

Cross when the light is  and when we see

A bus travels on the road with cars and can carry many people!

A train travels on the tracks. I can travel fast and carry many people!

An airplane travels high in the sky and can us to places far away.

A car travels on the road and can take me to fun places

I can ride my bike on the sidewalk. I can ride to different places.

I go to the gas station when our car needs gas.

I go to the grocery store to get food that I need like fruits and vegetables.

I go to the doctor's office when I am feeling sick.

When I walk outside I can see tall trees.

I see different color flowers in my community too.

In my community I see police stations. The police helps to keep everyone safe.

Firefighters work at the fire station. The firefighters in the community help to keep us safe by putting out fires.
