

How to make your hats

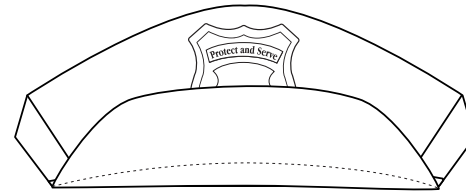

For Firefighter, Hard Hat and Police Hat

- Print your hats (Pages 4,5,6) in color or black and white
- If black and white have kids color their own hat.
- Cut out hat and fold on the dotted lines as shown in diagram.

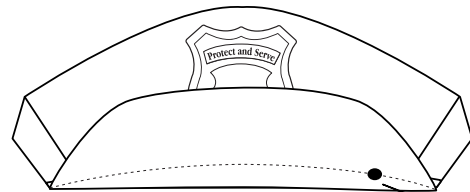

Step 1.

Fold up on this line first.

Step 2.

Fold down and pinch along the line to get a slight curve on this line second

Step 3.

Attach a card strip around hat to fit child's head.

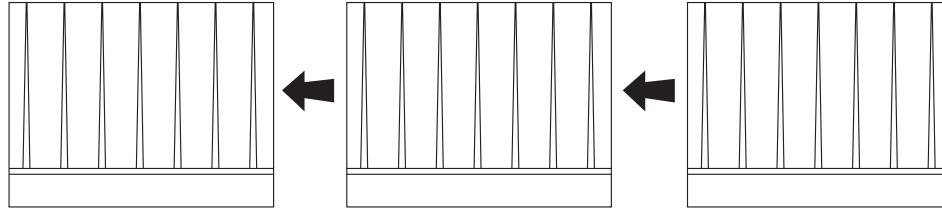

How to make your hats

For Chef Hat and Army Helmet

- Print 3 Chef Hat Patterns per child (Page 8)

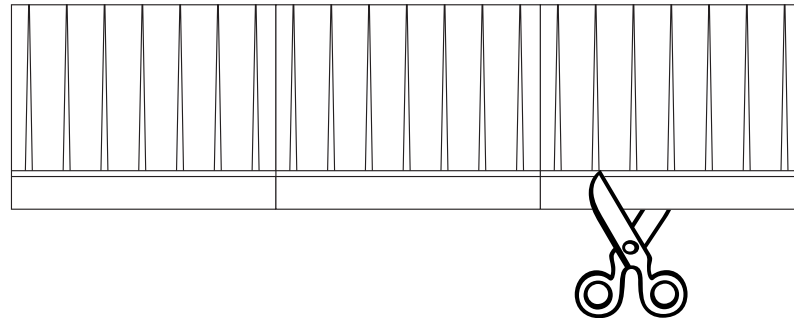

Step 1.

Staple or glue all 3 pages together to form one long piece of paper.

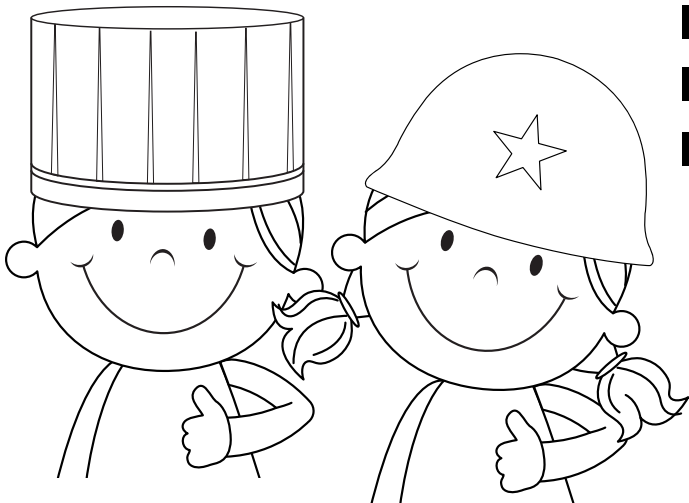

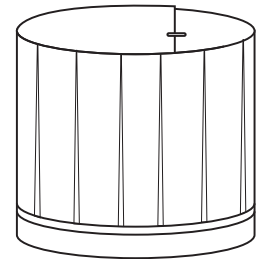

Step 2.

Measure it around child's head and cut to size.

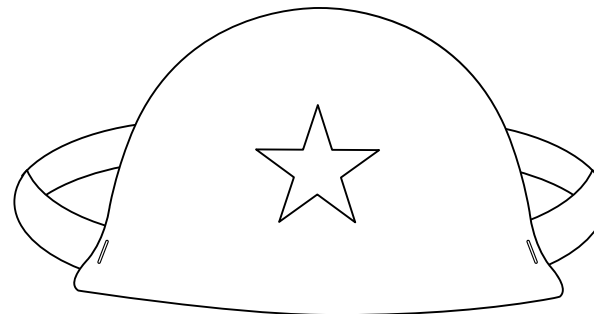

Step 3.

Staple together.

- Print your hat (Page 7) in color or black and white
- If black and white have kids color their own hat.
- Cut out hat and attach card strip to fit child's head

How to make your badges

- Print your badges (Page 9) in color or black and white.
- If black and white have kids color their own badge.
- Kids can write in their names or class in the space if they'd like.

- Cut out and safety pin or use safety pin with sticky patch, found in craft stores and attach to back of badge.
