

Going Potty

When I need to go pee or poop, I use
the toilet.

Everyone uses the potty!

If I am feeling nervous, I can say hello
to the potty.

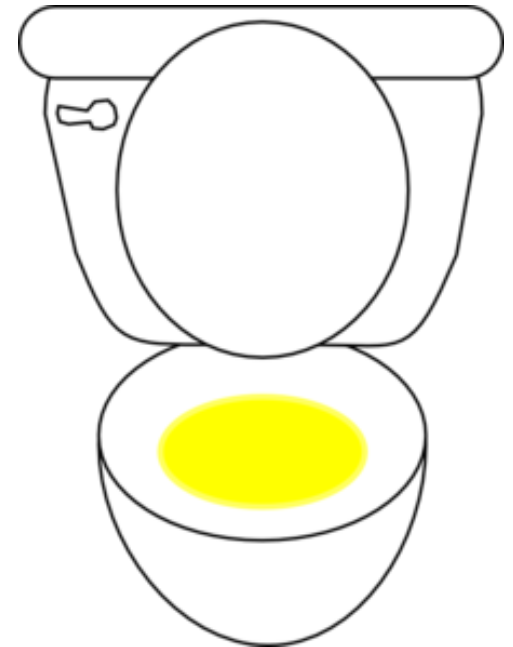

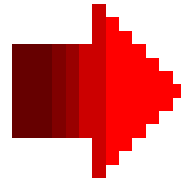

I pull down my pants and underwear.

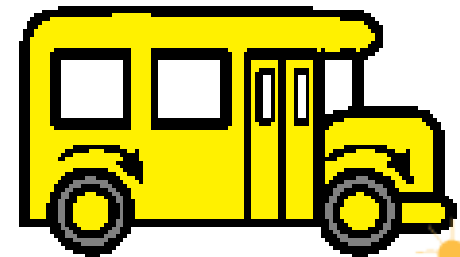

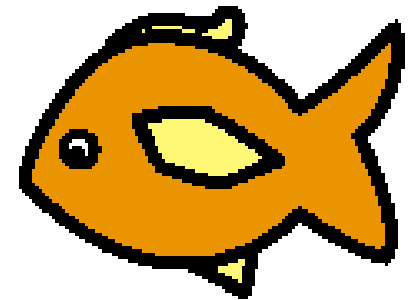

I sit on the toilet.

I push pee or poo into the potty.

While I wait for the pee or poo to come out I can read a book or sing some songs!

When I'm finished I use toilet paper to
wipe myself.

I pull up my pants and underwear.

I can choose to flush the toilet when I am done, or if I feel nervous I can ask mommy or a teacher to flush for me while I stand somewhere safe.

Then I wash my hands. I'm proud of myself for using the potty!
