

Going to the Doctor

Soon, I will go to the
doctor.

When I arrive at the Doctor's office, I will check in.

I will wait in the waiting room for my turn to see the doctor.

While I wait, I can play with a toy.

When it is my turn, I will go into the room
with the nurse.

The nurse will weigh me and see how much
I've grown!

The nurse will ask how I am feeling and take my temperature.

Next, the nurse will leave and the doctor will come in.

The doctor will ask how I am feeling.

The doctor will check my ears, nose, and throat.

The doctor will listen to my heart with a stethoscope.

If anything is hurting me, like my tummy, the doctor might check that too.

When the doctor is finished, the nurse might give me a sticker for doing a great job.

I did a great job at the doctor!
